**Pedestal Desks & Credenzas**

Choose from single or double pedestal desks, in 3/4 or full pedestals, with bow front or square tops. Credenzas and hutches are available in a variety of configurations that are perfect for filing, personal organization and storage. (Desk shown with optional painted modesty panel, and storage unit shown with contrasting wood and paint finishes.)

**U Units (Cockpit Design)**

Combining the features of desks, returns and credenzas into a cockpit design U Unit puts you in the driver's seat for getting work done. Dress it up for aesthetic interaction or dress it down to create a no-nonsense work station. (Bow top desk shown with wood modesty panel option, and double height storage unit with wood and metal cornice.)

**Tables Desks**

Metal frames in Stardust Silver, Black Sandtex or Soft Nickel finish are available with or without modesty panels. Choose from wood or glass tops as standard, or create an awe-inspiring centerpiece by specifying a custom top material. (Table desks shown with wood and glass tops, with wood modesty panels; painted modesty available.)

**U Units (P-top Design)**

P-tops are unparalleled for accommodating human interaction, either between co-workers or an employee and a client. Add storage and organization to complete this staple of the modern office. (P-top unit shown with painted modesty panel option and return with modified paint scheme.)

**L Units**

An industry workhorse that will serve for a lifetime, these L Units can be specified as distinctive as you dare. File and box drawers, returns, wire management and power/data options keep function at the forefront. (L-Units shown in all wood above.)

**Multi-Station Units**

Modularity is the cornerstone when building multi-station units for team-oriented environments. Combine vertical and horizontal storage units, work surfaces and filing systems to form interactive stations for easy sharing of information. (Multi-station unit shown with modified bullet desks, pedestal credenzas, wardrobes and overhead storage with glass doors.)
