## TENNSCO™ Lockers

Tennsco lockers are built to be durable and quiet. Heavy-gauge steel doors on single-tier and double-tier lockers are designed with door stiffeners, cushioned locking channels, rubber bumpers, and an ultra-smooth latching mechanism which work together to reduce noise and improve door operations.

Box Lockers are ideal for securely storing smaller items like purses, lunches, books, and athletic gear. The efficient six tier configurations give schools, clubs, and hospitals the necessary storage capabilities without taking up valuable floor space.
